Dear Friend,

We appreciate your faithful support of SCM. We now invite you to see and meet some of the kids that were directly impacted by your prayers and gifts. This Christmas, we are focusing on the real meaning of Christmas. The kids are learning more and more that it's all about celebrating the birth of Jesus, our Savior! They are also learning how to "give"...Regardless of our circumstances, we all have something that we can give. Our gifts can be tangible, monetary, or in service to others. On Saturday December 9th at 5pm, The Summerhill kids will have a small gift for you! Also, the kids and staff will perform, and we would LOVE for YOU and YOUR FAMILY to celebrate with us! Feel free to bring a friend!

We also ask you to consider supporting SCM this Christmas, as we support inner -city children and their families. We simply cannot offer these life changing programs to these kids, or keep the doors open, without the help of God's people. We are in this together!

We are grateful for the in-kind gifts that are given to SCM throughout the year. We do however; have daily expenses that are needed to keep SCM doors open to the kids of Summerhill and surrounding communities. We have monthly bills to pay, supplies that are needed daily, food, gas, transportation needs, employee expenses, and the list goes on...

Before and after the program, there will be "stockings" hanging on our "SCM fireplace" that will feature a "need" of Summerhill. We hope that you will choose a stocking or two, to support. Just simply take the stocking of your choice from the fireplace and leave your gift in our special "Christmas gift box". If you cannot join us on Dec 9th, feel free to send a gift to

SCM, P.O. Box 160294, Atlanta GA 30316
or visit our website with more ways to give. One of our staff members will be more than glad to give you a full list of all 45 stocking needs. Some examples of the stocking needs for SCM are:

- After school snacks for 50 students
- Monthly enrichment supplies and fees
- Support a high school student who is a part of our teen job training program, as they tutor and work part-time to support daily needs and school dues
- Monthly Utilities cost through winter months
- Christmas gifts and dinner gift card for the "First Noel Family"- mother suffering from cancer, and one 13 year old girl.
- Gift matches of, \$500, \$5000, and \$10,000
- A gift to go towards new outdoor tile to put on our basketball court.
